DAY 1

MONDAY

 Morning

Departure from either Quito or Guayaquil to Baltra Island is a 2 ½ hour flight. Upon arrival in the Galapagos, passengers are greeted at the airport by our knowledgeable guides who will accompany them on a short ten-minute bus ride to the pier where they will board the Galapagos Legend.

 Afternoon

 North Seymour Island

This flat, uplifting, island is an important spot to see both magnificent and great frigatebird males courting the females and, we will also likely see courting blue-footed boobies too. Sea lions, swallow-tailed gulls, crashing surf and distant views of the Daphne Islands top off a great visit.

Difficulty level

Medium ●

Type of terrain

Rocky & Sandy

Duration

1 hour 45 min hike
1 hour glass-bottom or
1 hour deep snorkeling

DAY 2

TUESDAY

Morning

Considered the most iconic landscape of the entire archipelago the view from the top of Bartolome Island, overlooking the famous Pinnacle Rock and the austere Santiago Island, Our subsequent snorkel here might put us face to face with Galapagos penguins, white-tipped reef sharks, and playful sea lions.

Bartolome Island

Afternoon

Sullivan Bay (Santiago Island)

Visitors are always totally enthralled by the amazing beds of pahoehoe lava from the recent flow on the island. It is a landscape and macro photographer's dream. The importance of pioneering plants such as the tiny Mollugo will be discussed as we hike over the lava.

Difficulty level
High ●

Type of terrain
Flat volcanic lava

Duration
1 ½ hour walk
1 hour snorkeling or
1 hour beach time

DAY 3

WEDNESDAY

Morning

Punta Pitt (San Cristobal Island)

This is the only place on the islands where we will enjoy the chance to see all three of the booby species in the same place. The red-foots will be perched on the Cordia lutea and small trees, the Nazca's on the ground near the cliff edge while the blue-foots will be a little further inland. Frigatebirds will be all around and the views are breathtaking.

DAY 4

THURSDAY

 Morning

In the moist highlands of San Cristobal, we will visit the giant tortoise breeding center “La Galapaguera” to witness the most iconic creature of the archipelago in its various life stages. The aim of the reserve is to help restore populations of the threatened San Cristobal tortoise back into the wild. In town, there are shops to purchase local handicrafts and souvenirs.

Difficulty level
Medium ●

Type of terrain
Sandy

Duration
1 hour 15 min visit
1 ½ hour bus ride round-trip

 Afternoon

The interpretation center is full of interesting information and offers the perfect overview of the formation of the Galapagos. Following a hike to Frigatebird Hill (Cerro Tijeretas) we will have a great look at both species of frigatebirds, with the bonus of a beautiful view of the bay below.

Afternoon

Punta Suarez is a naturalist's paradise. The oldest extant island in the archipelago is our only opportunity to commune with the endemic wave albatross during their breeding season between April and December. With luck, we can watch their complex courtship display.

Difficulty level

High ●

Type of terrain

Rocky

Duration

2 hours 15min hike

DAY 6

SATURDAY

Morning

Post Office (Floreana Island)

The famous Post Office Barrel. Claimed to have been first set up in 1793 by Captain James Colnett. The system involved whalers and fur sealers would leave addressed letters in the barrel to be picked up by homeward-bound colleagues. Actually visitors often take letters and hand-deliver them to their home countries.
